

## **Favourite Meals**

Sometimes it's hard to come up with family meals on the spot, especially after a busy day at work! Use this to write down your favourite meals, some meals you would like to try and your forever faithful, quick and easy throw together meals for your extra busy days.

| My favourite meals | Meals I want to try | Forever faithful meals |
|--------------------|---------------------|------------------------|
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
|                    |                     |                        |
